And I'm sorry that I messed up the weight of the Marijuana - I think I was too focused on the Cocaine that my mind went blank on the stand. I'm normally much better at remembering everything I should.

Hi Sonja.

Great job testifying. Sorry I didn't get to chat with you or meet with you before putting you on the stand. Sadly, we got an NG based on the evidence, or lack thereof tying the defendant to the drugs.

As for [REDACTED], that case is still in line to try. They attempted to have me start Friday, but I asked to not start if possible. I still have a list of your court dates. Thanks in advance. Much less evidence in that one....

Thanks.  
Maida
